## What is **Cell-Fi**?

- The ability to **use your Smartphone over Wi-Fi**
- Cell-Fi Smartphone Benefits:
  - **Never be without service**
  - **Usable throughout your community:** In the gym, at the pool, wherever you are.
  - **Save minutes** in and out of cell coverage
  - **Eliminate data gridlock**
  - **Save Gigabytes**
  - **Surf the Internet faster** than on the cell network
